A new comment has been submitted at socotransmission.com.

COMMENT

Meeting Attended:

I was not able to attend a meeting

Important Issues:

Land Use (Agriculture, Residential, Recreation), Visual / Aesthetic Resources, Proximity to Residences

Property Uses:

Agriculture, Residential

Comment:

We currently have one transmission corridor through our property on Hatchet Ranch Phase Two; another transmission corridor would destroy the useability and value of this property.

I-229-001

I-229-001: Cumulative Impacts (In Review)

Your email/letter/comment card has been received and your comment noted. Potential cumulative impacts and mitigation measures will be addressed in the Environmental Impact Statement.

The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.
